

Greetings to all our friends in the name of our Lord Jesus Christ! We take this opportunity to update you on all our activities during the 4th quarter of 2015.

Michael and Antoninah travelled to Kampala, Uganda in November to fellowship with the WitW disciples. The aim was to evaluate their grasp of WitW concepts and to encourage them to be fruitful.

Antoninah and Michael (2nd and 3rd from left) with the Uganda disciples.

The media has reported a marked increase in Kenyan children and youth indulging in sex and alcohol. In fact, the trend has reached the point that our president launched the campaign *Condoms for Kids* in February 2015. However, we regarded this alarming trend as an urgent call to make disciples among the next generation.

In particular, we set up a special coordinating office for children and youth. Ruth Naya joined the Daystar Institute / Africa leadership team as the DI / A Training Coordinator, Children & Youth. Since going through the WitW training, she has demonstrated fruitfulness in children and youth ministry by carrying out Bible clubs in different parts of Nairobi. Ruth is presently leading a team of dedicated disciples in designing WitW training materials for children and youth in Nairobi.

Ruth Naya, DI / A Training Coordinator, Children & Youth.

During the same period, we held our final Regional Assembly Forum for 2015. Despite heavy rains and traffic, nine disciples were able to attend for a time of intensive fellowship and sharing of testimonies.

We praise God that He is sustaining the commitment of our disciples in answer to our prayers.

A time of testimony sharing in the last regional assembly meeting in 2015.

We held a successful end-of-year meeting of the Young Christian Ladies & Men (YCL&M) at Pan Africa Christian University where Antoninah and Michael shared on godly representation of relationships.

The atmosphere of this meeting was ecstatic, and we rejoice in the Lord over the encouraging feedback received from all attendees.

We see God raising up a great army of young disciples of Jesus Christ to help advance His kingdom in these last days.

Antoninah sharing during the end of year YCL&M meeting at PAC University.

Mark and Maggie Mohr, who are friends from the US, donated a Mac computer to the DI/A office. The computer has been a blessing to us by facilitating creativity and thereby enhancing the development of attractive communication materials.

An opportunity opened up for DI/A to participate in a 10-day children’s camp at Amoretti Kindergarten in Roysambu, Nairobi.

Ruth led a team of three teachers from the school in developing a children’s camp curriculum. The theme for the camp was ‘Jesus is the Reason for the Season.’

Its purpose was to facilitate the understanding that Jesus is the reason for Christmas. Thirteen children attended the camp, and we praise the Lord that three of them gave their lives to Christ.

Ruth teaching a class during the camp.

Antoninah’s extended family, consisting of some 40 members, held a get-together in Murang’a County, which is approximately 50 miles from Nairobi. The main purpose of this gathering was to pass the baton of the gospel to their youth and children. Ruth coordinated a service for both adults and children, and the family members agreed to go through WitW training.

Antoninah’s extended family gathering.

On November 23rd and 24th Antoninah carried out a WitW Part 1 refresher session with the Coast disciples (approximately 311 miles from Nairobi). The disciples were encouraged to reproduce the teaching.

Patrick and Antoninah on their way to a meeting.

On November 25th, Michael led the group Concerned Parents of Kenya in a demonstration against Comprehensive Sexuality Education (CSE) being foisted upon the people of Kenya by an agency of the United Nations. In fact, some unscrupulous organizations are pushing for this curriculum to be taught in primary schools in Kenya. The purpose of our demonstration was to not only voice our opposition, but also to raise awareness of this threat among the general population.

Michael, with Concerned Parents of Kenya, addressing the media before the demonstration.

In September, a DI/A Evangelism Team was formed by a group of WitW disciples led by Antoninah. The team held their first meeting at the Kiriti Secondary School in Murang'a County. A total of 30 people were in attendance, including 6 WitW disciples. They conducted open-air meetings in an area which is plagued by alcoholism. We praise the Lord that a total of 76 people submitted their lives to Christ. Moreover, doors have opened for DI/A to provide WitW and leadership training to churches in Murang'a County.

Ruth leading children to Christ after sharing the word of God with them.

In early December, Antoninah attended and shared at the **High Voltage Conference** in Lira, Uganda. The conference attracted more than 6000 people, and was held over the 8-day period from November 29th to December 7th.

There are numerous discipleship training opportunities in Uganda. Antoninah was requested by one of the Bishops of Truth Fountain Church to help design a discipleship program for the local church. Together with Pastor Daniel Oyirwoth (a WitW disciple), a church leadership and WitW Part 1 training seminar is being planned for May 2016.

During the week of December 14th, we assembled the entire DI/A leadership team for a time of fellowship, testimonies, and to thank God for the ministry successes He granted to us during 2015. We also began to cast vision for 2016, including goals and challenges to be overcome. Each person shared with enthusiasm the successes they had seen during 2015 and approaches to overcoming challenges during 2016.

Praises and prayer concerns:

It is becoming increasingly clear that the WitW study is a precious gift from God to the people of Africa. This is especially true in the present season as there are stirrings of revival across our continent.

We praise God for His providence and for His raising up support from our financial partners;

as a result, we have seen many ministry successes over the course of 2015 and our conservative estimate is that 23,000 lives have been impacted thus far. Therefore, we begin the new year with confidence of His continued blessing.

Pray for continuous transformation amongst the WitW disciples and for the planning and success of the 2016 DI / A conference. We are planning to have this conference in August 17th, 18th and 19th at Pan Africa Christian University (PACU) in Nairobi, Kenya.

The DI / A Leadership Team as of December, 2015.

(L to R): Patrick, June, Ruth, Antoninah, Michael, Ezra and Debra (Antoninah and Michael's children).
