

2018 4th QUARTER NEWSLETTER

Praise God for the great and mighty things that He has continued to do in our midst. We are grateful for this past quarter that also marked the end of the year, 2018. Great is His faithfulness.

We thank God for Part 3 of the Walking in the Way (WitW) training that happened during this quarter. The training took place on October 8th - 12th at the Daystar Institute Africa (DI / A) office in Roysambu, Nairobi with five participants. Theology In Community (TIC) that ended in November followed this and we bless the name of the Lord for bringing us this far.

As a way of building capacity, the DI/A staff attended the Global Leadership Summit at Christ Is The Answer Ministry (CITAM) Valley road, that happened on October 4th - 5th. We thank God for our team leader Michael who facilitated us to grow our knowledge that we would serve God with excellence.

We have been working on a way to reach out to the youth in our society. On November 24th, we launched the Hope of Kenya Youth Commission (HKYC) a partnership with Hope of Kenya Pastors' Association (HOKPA), an umbrella body of church ministers nationally.

Through HKYC, the youth are able to go through Walking in the WAY (WitW) trainings and be equipped for discipleship and leadership.

Pray with us that through HKYC, many young people will be reached and transformed to Yahweh's glory.

We held our last Regional Assembly on November 10th at Christ Covenant Church Africa (CCCA), Ziwani in Nairobi. Michael shared the theme verse for the year 2019 from John 17:21.

....that all of them may be one, Father, just as you are in me and I am in you. May they also be in us so that the world may believe that you have sent me.

We thank God for the disciples' commitment in the year 2018. Pray with us that in 2019, we shall one in Christ as we continue Walking in His Way.

By God's grace, the work at the Coast has continued growing and we are grateful.

Bilhah, our coordinator in the Coast established a Bible study in the area and have been meeting to study the scriptures using the Way of God Study Guide (SG) 1.

God opened more doors of ministry in the area as Bilhah received invitations to minister in different churches where some have expressed an interest in being disciplined using WitW material.

Thank God with us for this opportunity that led to the establishment of a WitW Bible study and pray for more open doors.

Praise God for the work in Uganda. The home cells continued meeting during the Christmas holidays for fellowship and we praise Yahweh.

We thank God for the prison ministry in Uganda. Fred, a WitW disciple has been ministering to the inmates at Luzira prison and we thank God for the testimonies of transformed lives.

Daniel, our Coordinator for Uganda travelled to India in December for an evangelistic mission from December 11th - 22nd. The first crusade had about 3,000 people and we thank God for the great move of the Holy Spirit.

Pray with us for the believers in India to stand firm in their walk with God.

The DI / A family met on Friday, December 7th to celebrate Yahweh's faithfulness in our lives over lunch at Pan Africa Christian University (PACU). Pictures of the day are on the next page.
